RE: WOOD PACKAGING MATERIAL CERTIFICATION
International Standard for Phytosanitary Measures (ISPM15)

Please accept this letter as confirmation that Bel Fuse and its related companies (Stewart Connector, Signal Transformer, Bel Power) are in compliance with the international standard guidelines for regulating wood packing material in international trade, for international shipments.

Bel and its subsidiaries only use wood pallets that conform to the "International Standards For Phytosanitary Measures (ISPM15)".

Thank you,
