

Product Discontinuation

October 8th, 2024

CUI regrets to announce plans to obsolete the below part numbers effective immediately. **Please note that all these products have direct pin to pin replacements available through EOS Power**, a sister division to CUI within the Bel group of companies. We advise to reconfirm the EOS ordering part number with the sales representative before ordering.

We will accept last time buy (LTB) orders until December 31st, 2024, with a final shipment date of March 31st, 2025.

Acceptance of LTB orders are subject to product availability and at the discretion of CUI. Every effort will be made to fulfill these orders. However, if we have some supply constraint, we reserve the right to short ship the order.

Recommended alternatives of the EOS brand can be [found here](#).
